

Self-Study Learning Activities Tracking

Use this form to help you track the *self-study* learning activities you undertake for one Learning Objective. As you complete each activity, track the details below. Once you have completed all your activities for the Learning Objective, go to your applicable Learning Objective on the College website and record the details you tracked below. Select Website/Text Material Reference as your Verification of Learning. Enter the details you tracked in the Website/Textbook/Journal sections below as your Reference Description. Use the date of the most recent activity as your Completion Date. Do not submit this form to us.

Name _____ RDA# _____
